No.S.2.1529/49 dated 28-6-1949.

O R D E R:

In G.O.Ms.3467 Development, dated 28th June 1949 the Government sanctioned the purchase of one 15 H.P. Ruston Hornsby Diesel Oil engine available for disposal from the military surpluses at the Engineering Park, Coimbatore at a cost of Rs.3,300/- ~~exlu~~ excluding incidental charges and ordered that the engine should be sold to ryots, at cost price plus incidental charges and without loss to Government. Pending receipt of the final adjustment, the Joint Director of Agriculture sold this unit to Sri H.T. Ramakrishna Reddi Land Lord, Hardhagiri, Alur P.O. for a tentative price of Rs.3,300. The Joint Director of Agriculture has now reported that the cost of the engine as adjusted amounts to Rs.3,300 and the final sale price of the unit has now to be fixed and recovery made for the balance from the party. In the fixation of the sale price, he has proposed to add 3% of the cost price as overhead charges on account of supervision, as in the case of the sale of materials to private parties from the Central Agriculture Engineering Stores and Supply Centre sanctioned in G.O.Ms.2447, Development dated 9th May 1949. As all units were till now sold at cost price plus incidental charges without loss to Government, he has now requested that he may be permitted to include 3% of the cost price to represent overhead charges for all future sale of pump sets by the Agriculture Department.

His Excellency the Governor of Madras approves the proposal of the Joint Director of Agriculture. (1
